

Dear Racers 😊

Regarding pit space, we kindly ask you all for being helpful and update your exact pit space needed. We want everyone to be able to come and take part in our Event.

We will not accept small classes to require pit spaces over the limit which is normal for their class.

For this reason we will be very strict .

Teams who need space for extra camping for team members, contact: leder@ndrg.no. Space for extra camping space is 800,- and we can't promise electricity, we will do our best. This space will in camping area and not together with the team.
